

MEZCAL MAYALEN

GUERRERO

Our Guerrero variety was inspired by those who are warriors at heart. It is elegant, with a balanced and distinguished consistency. With a high percentage of alcohol and a strong, complex body, it releases its aroma with ease when swirled in the glass, making it a drink of pure excellence — popular and in high demand, especially among the great mezcal connoisseurs.

HANDMADE FOR YOU: ARTISANAL DETAILS

TASTING NOTES

Initial alcoholic warmth with a dense, sweet body and a subtle dark-chocolate aftertaste makes it ideal for tasting with nuts. Herbal notes continue through to the finish.
